

Our aim is to provide a happy, caring and stimulating environment where children will recognise and achieve their fullest potential through play.

Qualified staff will support the children's care, learning and play.

We have a full set of comprehensive policies and procedures which are adhered to at all times, copies are available on request.

We are OFSTED registered.
(EY440334)

Children will be able to choose from a wide range of activities, including games, toys, and arts and crafts. We will ensure that all activities are stimulating, age appropriate and fun.

We also offer a healthy snack, taking into consideration all dietary requirements

We use the EYFS framework for planning and assessing the children's individual developmental needs.
