COLLECTING CHILDREN FROM EARLY YEARS

It is expected that children, parents/carers and other siblings wait quietly and calmly outside the Nursery and Reception classrooms. Parents are responsible for supervising their children. Children and toddlers are not allowed to play on the Trim Trail, inside the bicycle sheds or on equipment in the Outdoor Area.

The school works hard to keep the children safe. It is very important that the staff know which family members or friends are allowed to collect your child, and we should be informed of any changes to this information.
